GOLF- UND COUNTRY CLUB SEDDINER SEE AG

PLAYING RIGHTS AGREEMENT

between Golf- und Country Club Seddiner See AG and the playing rights holder

1. PREAMBLE

Golf- und Country Club Seddiner See AG, hereafter 'GCCS AG', operates two 18-hole golf courses at Seddiner See in the municipalities of Michendorf and Seddiner See, Potsdam-Mittelmark district.

2. PLAYING RIGHTS (RIGHT OF USE)

The playing rights (hereafter: right of use) are strictly personal and tied to the individual rights holder. They may not be transferred without GCCS AG's consent and may not be inherited. The rights holder may use the golf facility and its associated grounds and amenities together with other rights holders or guests in accordance with the chosen tariff and the current playing, course and house rules. A club bag tag is issued for this purpose. Additional facilities and services subject to charges are not included in this agreement. Proof of membership within the German Golf Association through which the HCPI is administered is a prerequisite for exercising playing rights. Playing rights may be converted to inactive playing rights. Conversion requires a written declaration to the Executive Board by 31 October for the following year.

3. USAGE FEE

Upon entering into this agreement and paying the agreed fees, the rights holder is entitled to use the golf facility under the chosen tariff. GCCS AG may increase the usage fee for future calendar years, including during the term of the agreement, to reflect the general development of German consumer prices (inflation) as determined by the Federal Statistical Office since this agreement was concluded, and developments in specific costs of operating the golf courses at Seddiner See insofar as they exceed general German consumer price trends. These include, in particular, the costs of maintaining, caring for and irrigating the grounds, personnel costs, and costs of buildings, equipment and other materials. A fee increase is also permitted to achieve or ensure reasonable profitability for GCCS AG's golf courses and facilities. Fee increases must be announced three months in advance. The rights holder then has a special right of termination, which must be exercised within four weeks of receiving the notice of the increase. If this right is not exercised, the increased usage fee is deemed agreed for the future.

4. TERM AND TERMINATION

The right of use has a minimum term of 12 months. Either party may terminate with three months' notice effective at the end of a calendar year. Unless terminated in due time, the agreement renews for a further twelve months each time. GCCS AG may also terminate without notice if the rights holder intentionally or through gross negligence breaches rights or obligations under this agreement or the playing, course or house rules. If the rights holder cannot exercise the playing rights (e.g. due to illness or work circumstances), the obligation to pay the agreed amounts continues unchanged. As a goodwill gesture, without acknowledging any legal obligation, payment obligations may be suspended in individual cases after consultation with GCCS AG. Extraordinary termination by the rights holder is not possible in these cases. For shareholders who sell their share, playing rights end at the end of the calendar year. A subsequent playing rights agreement as a temporary player should then no longer be concluded. The Executive Board decides on exceptions.

5. DAMAGES

Claims for damages by the rights holder under this agreement, on any legal basis, are excluded unless they arise from an intentional or grossly negligent breach of contract by GCCS AG, its governing bodies or persons acting on its behalf in performing its obligations. This exclusion does not apply to liability for loss of life, bodily injury or damage to health arising from a breach of duty by GCCS AG, its governing bodies or such persons. Risks to third parties arising from golfing operations are insured by GCCS AG to an appropriate extent. Where such risks arise from the rights holder's own conduct, insuring them is solely the rights holder's responsibility within the scope of their statutory liability.

6. FINAL PROVISIONS

The place of performance for all obligations under this agreement is the golf facility. The place of jurisdiction is Potsdam unless a different jurisdiction is mandatory by law. If any provision of this agreement is or becomes invalid, the remainder remains effective. The invalid provision must be replaced by a legally effective provision that comes as close as legally permissible to the intended economic result.
